

Welcome to

Park "De Nieuwe Riet"

Park "De Nieuwe Riet" used to be a farm. The farm-house dates back to 1937 and has been renovated for the greater part. The old farm-house and the various sheds that remained intact make you can still enjoy the countryside. With their presence the dog, goats and hens add to the cosiness of a complete and lively farm. The park is surrounded by trees and at the border there runs a creek called De Nieuwe Riet (The New Reed). The camping area that forms part of the park covers 3 hectares of which at the moment we have fitted up 1 hectare for camping purposes.

We have 25 plots available for your caravan, tent, camper or camp-car on patches varying from 130 up to 180 square metres.

Park "De Nieuwe Riet" is situated in the southern part of The Netherlands not far from the border with Belgium. It is close to the village of Oudenbosch, a place that is well-known for the basilica which is a replica of St.Peter's Basilica in Vatican City (Rome). The pleasant village is also a good spot for shopping and visiting other interesting attractions. Starting from the park you will find many possibilities for a nice walk or cycling-tour. For instance the "Laarzenpad" (the "Boots-path") is a unique piece of untouched nature surely worth visiting.

The former living room of the old farm-house has been completely restored and fitted up as a **beauty parlour** called **Enface**. Please feel free to make an appointment and get a relaxing beauty treatment. Learn, experience and/or enjoy more about being treated by natural remedies and aroma therapy.

With our park "De Nieuwe Riet" we focus on people that are 40+ of age. Our clients are looking for a relaxed place in nature to enjoy themselves. You will not find a canteen with one or more fruitmachines, a swimming-pool, a shop or supermarket, and a disco.

The people who stay in our park wish to leave the stress behind and to specially enjoy the quiet of nature. You may take your dog with you.

All plots have electricity supply. We will continuously do our best to make your stay as enjoyable as possible.

Would you like to have additional information or make a reservation please do not hesitate to call us or to visit our Website.

Park "De Nieuwe Riet" is situated at the outskirts of the municipality Halderberge between Oud Gastel and Oudenbosch. Coming by car from Rotterdam, Breda or Utrecht you follow motorway A17 in the direction of Antwerp (Belgium). You leave the A17 at exit no.22 for Oudenbosch and turn left (underneath the fly-over) in the direction of Oudenbosch. After 300 metres you turn off slantingly right and at the end of this small road you turn right into the Langenbergsestraat. After approx. 1 km you take a left at the Oude Roosendaalsebaan which you leave after 350 metres by turning left at the Noordhoeksestraat and after 450 metres you will find the park at your left hand side. Please go to the reception.
